SmartFit™ EQ Adjustable Multi-Angle Laptop Stand

Part Number: K50427WW | UPC Code: 0 85896 50427 6

Elevate your workspace comfort to new heights.

Professionals working in compact office spaces often face challenges when using multi-monitor setups using a laptop as one of the displays. Limited desk space can lead to discomfort, poor posture and decreased productivity, making it difficult to maintain an ergonomic workspace.

The SmartFit™ EQ Adjustable Multi-Angle Laptop Stand addresses these issues. It offers six customisable height and angle combinations to support proper ergonomic viewing angles. Dual locking latches ensure stability and simplify adjustments. Its durable and compact design not only conserves space but also conveniently folds flat when not in use.

This stand enhances comfort and efficiency, making it an ideal solution for maximising productivity in small workstations.

- Supports proper ergonomic positioning
- Riser is composed of 70% post-consumer recycled content (PCR)
- Ships in FSC® certified packaging
- Tested and recommended by the German IGR Institute for Health and Ergonomics
- Accommodates 13” to 16” Laptops and MacBooks
- 6 pre-set height and angle combinations
- Anti-slip silicone foot pads and locking latch
- Space-saving design folds flat when not in use
- No assembly required

SmartFit™ EQ Adjustable Multi-Angle Laptop Stand

Part Number: K50427WW | UPC Code: 0 85896 50427 6

SmartFit™ - Comfort Made Easy

Supports proper ergonomic eye-level viewing angles, as well as improved neck and shoulder alignment. Uses data-driven research and a colour-coded fitting chart to support quick and intuitive height-setting.

EQ Attributes

Made from durable, high-quality plastic containing 70% post-consumer recycled content and shipped in FSC® certified packaging.

Flexible Height and Angle Adjustments

Offers six pre-set height (up to 378mm/14.88") and angle combinations to simplify positioning, support better posture and reduce strain during long work sessions.

Ergonomist Approved

Tested and recommended by the German IGR Institute for Health and Ergonomics, in accordance with DIN 26800 EN ISO 15537. Designed to enhance comfort and improve posture whether sitting or standing at your desk.

Durable and Stable Construction

Supports Laptops and MacBooks from 13" to 16", up to 3kg (6.6lbs). Anti-slip rubber feet and locking latches keep the laptop and riser securely in place while you work.

Space-Saving Design

This laptop riser occupies minimal desk space (253 x 258mm/9.96 x 10.16"), making it an ideal choice for small or compact workstations.

Easy to Use

No assembly required, quickly folds for easy storage. Dual levers for stable height adjustments.

Improved Thermals

Raising your laptop helps keep it cooler and reduces strain on the battery and internal parts.
