

MagPro™ Elite Magnetic Privacy Screen for Surface Laptop Studio

Part Number: K51701WW | UPC Code: 0 85896 51701 6

Privacy begins on screen.

The move toward hybrid working means that the modern workplace is no longer a single, easy-to-secure location. Users can be working anywhere, with an increased chance of visual hacking. Owners of the Surface Laptop Studio require a privacy screen that can be quickly attached and detached, allowing the laptop to close completely to enter sleep mode. The MagPro™ Elite Magnetic Privacy Screen attaches seamlessly to the Surface Laptop Studio's magnetic frame, requiring no inconvenient adhesives. Allowing the device to close completely, the screen narrows the viewing angle to +/- 30°, limiting the chance of unauthorized viewing and reducing harmful blue light and glare. TAA-compliant. Two-year warranty.

Features include:

- Designed exclusively for Surface
- Seamlessly and easily attaches to the Surface Laptop Studio's magnetic frame
- Limits viewing angle to +/- 30 degrees
- Anti-glare matte coating prevents fingerprints
- Reduces harmful blue light by 30%
- Touch and Surface Pen compatible
- Includes protective case
- TAA-compliant
- Two-year warranty

MagPro™ Elite Magnetic Privacy Screen for Surface Laptop Studio

Part Number: K51701WW | UPC Code: 0 85896 51701 6

Designed Exclusively for Surface

Kensington worked directly with Microsoft to ensure that the privacy screen works perfectly with your Surface Laptop Studio.

Seamless Magnetic Attachment

Conveniently and easily attaches to — and detaches from — the Surface Laptop Studio's magnetic frame. Avoids potentially damaging adhesives from being used, and eliminates any setup process.

Limited Viewing Angle

Narrows the field of vision to +/- 30 degrees, helping you keep the information on your screen private and reducing the chances of a visual data breach in the office or in public.

Low-Reflective Matte Coating

Reduces glare and fingerprints for improved clarity.

Blue Light Reduction

Filters out harmful blue light rays by up to 30%, easing eye strain and reducing the chances of interrupting sleep patterns.

Touch and Surface Pen Enabled

Allows you to use your Surface Laptop Studio just as you would without a privacy screen.

Protective Case

Helps keep your screen clean and prevents scratches when not in use.

TAA-Compliant

Ready for use in U.S. Federal Government institutions and organizations.
