Pro Fit® Washable Wired Desktop Set

Part Number: K70316US | UPC Code: 085896703167

Type. Click. Wash. Rinse. Repeat.

The Pro Fit® Wired Washable Keyboard and Mouse Set, with its waterproof, easy-clean, rugged design, is ideal for maintaining a hygienic surface and cleaning up drips and spills, without sacrificing performance*. Full-size, six row, 104-key keyboard includes a numeric keypad, and laser-etched keys feature highly readable letters that won't wear off. Ambidextrous, contoured mouse with three-button scroll wheel provides a comfortable experience for left- and right-handed users. High-definition 1600 DPI optical sensor tracks the mouse's movements with smooth accuracy for optimal performance and productivity.

- Completely washable, rugged design resists spills and makes cleaning and disinfecting easy* (IP67 mouse, IPx6 keyboard)

- Can safely stand up to frequent use of spray cleaners

- Full-size, 104-key layout with numeric keypad

- Laser-etched keyboard keys

- Ambidextrous mouse — comfortable for either hand

- Mouse tracking up to 1,600 DPI for excellent accuracy and responsiveness

- Wired, reliable USB connectivity without the need for batteries

- Plug and play — no need to download software

- Great for home, office, education, hospital/medical environments, or retail

- Three-year limited warranty

* Do not immerse the USB connector.
