Product Sheet

Pro Fit™ Ergo KM620-RC Wireless Rechargeable EQ Desktop Set

Part Number: K72490NA | UPC: 0 85896 00341 0

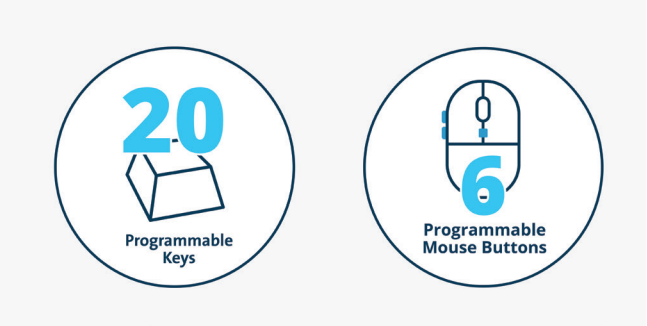
Ergonomic Wave Design Keyboard with Built-In Wrist Rest

Designed for an easy transition from traditional non-ergonomic keyboards, the gently curved layout combines an integrated memory foam wrist rest with adjustable tilt options.

Comfortable 6-Button Mouse

Designed for right-handed users with small to average-sized hands, the mouse features quiet-click buttons, an optical sensor with 3 DPI settings (1000/1600/2400) for accurate tracking, and 6 buttons to streamline everyday productivity.



Customizable Productivity

Program up to 20 keys and 6 mouse buttons using optional Kensington Konnect™ software. Assign dedicated shortcuts to launch your preferred AI application, create macros, customize key mappings, manage profiles, and more.

Quiet, Responsive Performance

Membrane keyboard switches deliver smooth, low noise typing, while quiet-click mouse buttons support distraction free productivity in shared environments.
