

AC30 30-Bay Security Charging Cabinet

Part Number: K62323NA | UPC Code: 0 85896 62323 6

Charge, transport,
lock, and store
up to 30 devices
neatly and easily.

Features include lockable front and rear doors and a sturdy security cable attachment ring (padlocks and security cable not included); built-in dividers and cable organization that keeps bulky adapters out of the way; large 5" removable non-marking locking casters that allow for easy movement over rough and uneven surfaces; digital charging technology charges 15 devices at a time in 15-minute intervals for faster, more efficient charging, and helps lower the temperature inside the cart to prolong device life; and a push handle.

Features include:

- Holds 30 devices (up to 15.6 inches)
- Lockable front and rear doors
- Sturdy security cable attachment ring
- Built-in dividers and cable management
- 5-inch removable non-marking locking casters
- Digital cycle charging technology
- Push handle
