OfficeAssist™ Auto Feed Shredder A6000-HS Anti-Jam Micro Cut
Part Number: K52052AM | UPC Code: 0 85896 52052 8

Make your office more secure, efficient, and productive.

The 600-sheet OfficeAssist™ Auto Feed Shredder A6000-HS Anti-Jam Micro Cut speeds and secures high-volume shredding, helping to make larger offices more productive. Patented auto feed with 4-digit PIN lock lets you load up to 600 sheets of paper, lock it until shredding is complete, and walk away. P-5 Micro Cut shredding turns glossy paper, junk mail, staples, paper clips and credit cards into 1/16" x 9/16" (2mm x 15mm) pieces. Intelligent™ Jam Clearance automatically reverses the blades to clear excess paper from the cutter. A 29-gallon (1,300-sheet) bin with full indicator accommodates frequent use and includes built-in bag storage to keep new bags ready. Runs quietly and continuously for 240 minutes without overheating. Intelligent™ Power Save switches modes when not in use to save energy. Sturdy casters make it easy to use the shredder wherever you need it. Two-year warranty.

Features include:

- Patented auto feed with 4-digit PIN lock
- Secure P-5 1/16" x 9/16" (2mm x 15mm) Micro Cut
- Quiet motor with self-cleaning Intelligent™ Jam Clearance
- 240-minute continuous run time
- 29-gallon (1,300-sheet) bin with full indicator
- Built-in bag storage
- Intelligent™ Power Save
- Sturdy casters

OfficeAssist™ Auto Feed Shredder
A6000-HS Anti-Jam Micro Cut

Part Number: K52052AM | UPC Code: 0 85896 52052 8

Intelligent™ Power Save – Automatically switches to this mode when not in use (but still turned on) to save energy.

Patented Auto Feed with 4-Digit PIN Lock – Lets you load up to 600 sheets of paper, lock it until shredding is complete, and walk away. Shreds staples, paper clips, credit cards, junk mail, and glossy paper.

Quiet Motor with Self-Cleaning Intelligent™ Jam Clearance – Reverses the blades when too much paper is inserted and upon completing a job to clear paper from the cutter, helping avoid time-consuming and frustrating paper jams.

240-Minute Continuous Run Time – Runs without overheating, for large jobs.

P-5 Security Rating – Micro cut shredding turns paper into 1/16" x 9/16" (2mm x 15mm) pieces. Ideal for business confidential documents.

29-Gallon (1,300-Sheet) Bin with Full Indicator and Bag Storage – Shred more, empty less. An indicator lets you know when the bin is full, and built-in bag storage keeps new bags ready.

Sturdy Casters – Make it easy to use the shredder wherever you need it.
