

## Wired Numeric Keypad

Part Number: K79820WW | UPC Code: 085896798200

Increase efficiency  
and productivity.

For people who work with numbers, a dedicated number pad is crucial for efficient and productive work. As more people work and learn from home, many laptops and compact keyboards do not include a number pad. The Wired Numeric Keypad, a perfect complement to our Multi-Device Dual Wireless Compact Keyboard (K75502US), allows Windows, Mac, and Chrome OS users to input numeric data quickly and easily. Slim scissor keys provide a quiet and comfortable typing experience, together with four shortcut keys that further enhance efficiency. A reliable wired USB-A plug-and-play connection means there is no need for batteries or driver installations.

Features include:

- 21-key number pad with four shortcut keys
- Scissor keys are slim, responsive, and quiet
- A perfect complement to our Multi-Device Dual Wireless Compact Keyboard (K75502US)
- Num Lock indicator
- Plug-and-play wired USB-A connection
- Anti-slip foot pads
- Compatible with Windows, macOS, and Chrome OS (some shortcut keys are only Windows compatible)
- Three-year warranty
