

# Kensington®

## Feel the Difference

ErgoSoft™ Wrist Rest Mouse Pad

Preventing injury while optimizing comfort and performance, Kensington's ErgoSoft® Wrist Rest Mouse Pad combines an ergonomically friendly design with best-in-class tracking for optical and laser mice.

### Features & Benefits:

- **Ultra-Soft Wrist Rest** features a premium ultra-soft exterior supported by gel-cushioned padding to provide unmatched quality and comfort
- **High-Performance Mouse Pad Surface** provides best-in-class tracking control for both optical and laser mice
- **Ergonomist Approved** to support the optimal health, comfort and protection of your wrist through proper alignment, tailored dimensions, and a unique curved design that minimizes the impact of repetitive strain
- **Professional Performance-Focused Design** combines functional and sophisticated low-profile elegance with a preferred hard mouse surface, non-skid backing and an easy-to-clean surface
- **Non-Toxic Materials** independently certified for safety and compliance

### Why Include a Workstation Wrist Rest?

- Kensington's ErgoSoft Wrist Rest Mouse Pad is the perfect solution for the ergonomically focused workstation, keeping wrist postures as straight as possible to support health and comfort. The benefits of an ergonomics program are far-reaching and can make a positive difference for everyone in your organization.
- Improves the health of your employees – which can improve your organization's DART rate and provide you with an opportunity to pass healthcare savings on to employees
- Improves employee morale – and happy employees are 12% more productive
- Leads to less turnover and increased employee satisfaction – supporting employees who are more loyal, productive, alert and happier overall
