

EQ Laptop Carrying Case 16"

Part Number: K60390WW | UPC Code: 0 85896 60390 0

The more
sustainable
laptop
carrying case.

For professional commuters looking for a travel-friendly carrying case made from sustainable materials, the EQ Laptop Carrying Case is the ideal solution. 23.0 x 250ml plastic bottles were transformed into PET polyester yarn. Additionally, 52% of the overall product is post-consumer recycled (PCR) polyester. A value-for-money, modern, and travel-friendly laptop bag for professional commuters, it accommodates laptops up to 16" and includes a padded compartment for the laptop, a zippered front compartment for easy access, and multiple pockets for files and accessories. A padded shoulder sling strap offers support for your neck and shoulders, a trolley strap allows for simple attachment to rolling luggage, and the clamshell design is TSA-friendly to simplify security screening.

EQ Laptop Carrying Case 16"

Part Number: K60390WW | UPC Code: 0 85896 60390 0

Recycled Material

23.0 x 250ml plastic bottles were transformed into PET polyester yarn. Additionally, 52% of the overall product is post-consumer recycled (PCR) polyester.

Simple and Modern

Professional and stylish, this laptop case provides everything a daily commuter needs to carry a laptop, accessories, files, and more.

Travel-Friendly

The clamshell design is TSA-friendly to simplify security screening and a trolley strap allows for simple attachment to rolling luggage.

Designed for Comfort

A padded shoulder sling strap offers support for your neck and shoulders, and the top-load design provides easy access to everything.

Ample Storage Compartments

Provides an internal padded compartment for laptops up to 16", a front zippered compartment for quick access to essentials, and multiple pockets for files and accessories.
