Product Sheet

Pro Fit™ Ergo KM620-W Wired EQ Desktop Set

Part Number: K72509NA | UPC: 085896 00381 6

Ergonomic Wave Design with Built-In Wrist Rest

Designed for an easy transition from traditional non-ergonomic keyboards, the gently curved layout combines an integrated memory foam wrist rest with adjustable tilt options.

Comfortable 6-Button Mouse

Designed for right-handed users with small to average-sized hands, the mouse incorporates quiet-click buttons to reduce distractions. An optical sensor with three DPI settings (1000/1600/2400) ensures accurate tracking, and 6 buttons streamline everyday productivity.

Quiet, Responsive Performance

Membrane keyboard switches deliver smooth, low noise typing, while quiet-click mouse buttons support distraction free productivity in shared environments.

Customizable Productivity

Program up to 20 keys and 6 buttons*, assigning a dedicated shortcut to launch your preferred AI application, creating macros, adjusting key mappings, managing profiles, and more with optional Kensington Konnect™ software.
