Elevate your  
feet, improve  
your workday.

As a result of the prolonged sitting inherent in desk-based roles, many professionals struggle with leg and foot discomfort as well as impaired circulation.

The SmartFit™ Solemate™ Plus Foot Rest is a useful ergonomic solution for supporting a more comfortable workstation. Thoughtfully designed to simplify proper ergonomic fit, the foot rest supports your legs at the optimum angle to reduce muscle strain and fatigue, with a foot-operated pedal to easily adjust the tilt angle throughout the day.

Elevate your feet, improve your posture and support better blood flow for a more comfortable and productive workday.

### SmartFit™ - Comfort Made Easy

Supports proper ergonomic posture and spinal alignment, as well as reduced leg and foot fatigue. Uses data-driven research and a colour-coded fitting chart to support quick and intuitive height-setting.

### Promotes Better Posture

Experience enhanced all-day comfort with a footrest that promotes a stress-reducing posture while seated, alleviating pressure on your feet, back and legs

### Foot Pedal Adjustment

With a simple push of your foot on the pedal, you can make adjustments to the foot rest without having to get out of your chair and interrupting your productivity, 88.9 - 127mm in height or 30° in tilt.

### Non-Skid Surface

Large area covered in black rubber provides great stability for your feet while you're sitting so you don't need to worry about them slipping off the foot rest.

### New Look, Same Quality

In our ongoing effort to provide additional value to our customers, you may notice variations in SmartFit™ packaging and support materials. The updates are designed to make it easier to identify and use our SmartFit™ products. Rest assured, the quality standards that have made SmartFit™ a trusted choice for ergonomic accessories will remain unchanged.
