Pro Fit™ Ergo MY630 EQ Rechargeable Mouse

Part Number: K72482WW | UPC Code: 0 85896 72482 7

A more sustainable vertical mouse.

Professionals today struggle with the physical strain and fatigue caused by prolonged computer use. Traditional mice, with their flat one-size-fits-all design, often force the wrist into an unnatural position, leading to discomfort and hampered productivity.

Organisations are increasingly seeking more sustainable solutions to address their growing environmental, social and governance (ESG) responsibilities.

The Pro Fit™ Ergo MY630 EQ Rechargeable Mouse is a full-size vertical mouse that promotes exceptional ergonomic comfort. The plastic in this product contains a minimum of 57% post-consumer recycled (PCR) content (Excludes PCB assembly, rechargeable battery and charging cable).

- Full-size vertical design supports all-day comfort and productivity
- Minimum 57% post-consumer recycled content of the total plastic components. Excludes PCB assembly, rechargeable battery and charging cable.
- Connects up to three active devices
- Windows, macOS and ChromeOS compatible
- Up to 4 months of battery life when connected via Bluetooth®*
- 2.4GHz USB-A receiver provides 128-bit AES government-grade encryption security
- 5-button navigation, silent switches and DPI control button
- Plug & plan or personalise with KensingtonWorks™
- 3-year limited warranty

* Battery life varies by use case

Product Sheet

Pro Fit™ Ergo MY630 EQ Rechargeable Mouse

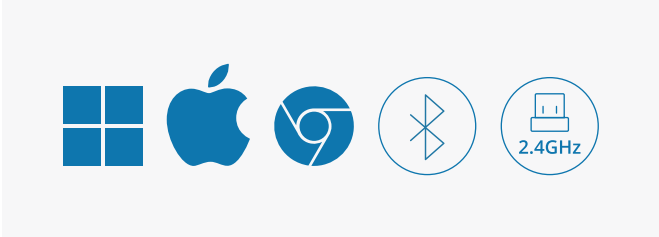
Part Number: K72482WW | UPC Code: 0 85896 72482 7

Full-Size Vertical Ergonomic Design

Contoured natural slope keeps the wrist in a neutral handshake position to support all-day ergonomic comfort and productivity. Full-size vertical design offers enhanced precision and control and comfortably supports larger hands.

Sustainability Focused

Minimum 57% post-consumer recycled content of the total plastic components. Excludes PCB assembly, rechargeable battery and charging cable.



Multiple Connectivity Options

Connect up to three active devices - two via Bluetooth® Low Energy (LE) and one using the included 2.4GHz USB-A receiver. Includes built-in dongle storage. Windows, macOS and ChromeOS compatible.

Rechargeable Battery

Delivers up to 4 months of battery life when connected via Bluetooth® and up to 1 month when connected via 2.4GHz dongle*. Includes 500mAh rechargeable battery and USB-C® charging cable.

5-Button Navigation, Silent Switches and DPI Button

Left, right, forward, back and scroll/middle-click buttons enhance navigation and productivity. Silent switches support a quiet work environment. 1000/1600/2400DPI switch.

Customise with Free KensingtonWorks™ Software

Personalise MY630's 5-programmable buttons with free KensingtonWorks™ software to deliver enhanced productivity and convenience (Windows and macOS only).

Government Grade Encryption

2.4GHz USB-A receiver provides 128-bit AES government grade encryption security.

* Battery life varies by use case
