

Pro Fit™ Ergo MY630 EQ Rechargeable Mouse

Part Number: K72484WW/NA/CN | UPC Code: 0 85896 72484 1

A more
sustainable
vertical mouse.

The Pro Fit™ Ergo MY630 EQ Rechargeable Mouse is an ideal companion for busy professionals seeking a more sustainable solution delivering enhanced comfort and productivity. The vertical full-size design promotes improved wrist posture and enhanced control. It features multi-device connectivity, includes 55% post-consumer recycled (PCR) content of total plastic components (Excludes PCB assembly, rechargeable battery and charging cable), a rechargeable battery, 5-programmable buttons, silent clicking, dongle storage, and AES government grade encryption.

Features include:

- Full-size vertical design supports all-day comfort and productivity
- Includes 55% post-consumer recycled (PCR) content of total plastic components (Excludes PCB assembly, rechargeable battery and charging cable)
- Connects up to three active devices
- Windows, macOS, and ChromeOS compatible
- Up to 4 months of battery life when connected via Bluetooth®*
- 2.4GHz USB-A receiver provides 128-bit AES government-grade encryption security
- 5-button navigation, silent switches, and DPI control button
- Plug & play or use KensingtonWorks™ software to personalize
- 3-year limited warranty

*Battery life varies by use case

Pro Fit™ Ergo MY630 EQ Rechargeable Mouse

Part Number: K72484WW/NA/CN | UPC Code: 0 85896 72482 7

Full-Size Vertical Ergonomic Design

Contoured natural slope keeps the wrist in a neutral handshake position to support all-day ergonomic comfort and productivity. Full-size vertical design offers enhanced precision and control and comfortably supports larger hands.

Sustainability Focused

Includes 55% post-consumer recycled (PCR) content of total plastic components (Excludes PCB assembly, rechargeable battery and charging cable).

Multiple Connectivity Options

Connect up to three active devices—two via Bluetooth® Low Energy (LE) and one using the included 2.4GHz USB-A receiver. Includes built-in dongle storage. Windows, macOS, and ChromeOS compatible.

Rechargeable Battery

Delivers up to 4 months of battery life when connected via Bluetooth® and up to 1 month when connected via 2.4GHz dongle*. Includes 500mAh rechargeable battery and charging cable.

*Battery life varies by use case

5-Button Navigation, Silent Switches, and DPI Button

Left, right, forward, back, and scroll/middle-click buttons enhance navigation and productivity. Silent switches support a quiet work environment, and a DPI switch (1000/1600/2400) allows you to adjust your cursor precision and sensitivity quickly.

Customize with Free KensingtonWorks™ Software

Personalize MY630's 5-programmable buttons with free KensingtonWorks™ software to deliver enhanced productivity and convenience (Windows and macOS only).

Government Grade Encryption

2.4GHz USB-A receiver provides 128-bit AES government-grade encryption security.
