USB-C Hi-Fi Headphones with Mic

Part number: K97457WW | 085896974574

Exceptional sound 40mm drivers enable a wider dynamic range to deliver crystal-clear audio.

Universal comfort – designed to fit all ages, the adjustable headband is padded and the flexible boom-style microphone can be rotated up to 270°. The foam ear pads are wrapped in a soft leatherette cover to provide hours of comfortable use.

Noise-cancelling microphone uses passive-resistance technology to filter out ambient noise for optimum speech clarity.

1.8m USB-C cable is the ideal length for learning environments and strong enough to stand up to heavy use.

Multi-device/OS compatibility works with all USB-C devices running Windows, macOS, iPadOS, Android and Chrome OS.

Safe listening limit sets the maximum audio level to 94dB to protect ears from hearing loss associated with excessive volume.
