

Pro Fit™ Ergo TB675 Vertical Wireless Trackball

Part Number: K72171WW | UPC: 0 85896 00601 5

Vertical
comfort.
Precise control.

For professionals who spend hours navigating spreadsheets, creative tools, and multiple devices, comfort and control matter as much as precision. Traditional mice often require constant reaching and flat hand positions, while long-time trackball users have had few modern thumb-operated options to choose from.

The Pro Fit™ Ergo TB675 Vertical Wireless Trackball was designed to bridge that gap. Its ergonomist-approved 60° vertical design and contoured shape support more natural wrist and thumb positioning, while a thumb-operated trackball keeps movement minimal and control intuitive.

Combined with adjustable DPI, a premium 4D scroll wheel, nine programmable buttons, and flexible wireless or USB-C® connectivity, it supports comfort and productivity—without forcing users to compromise how they work.

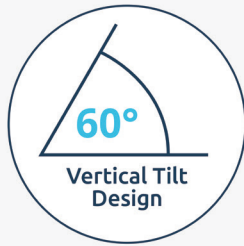

- Ergonomist-approved 60° vertical design
- Red Dot Winner – the Distinction for High Design Quality
- Flexible connectivity: Bluetooth®, 2.4GHz USB receiver, or USB-C® wired
- 34mm thumb-operated trackball delivers precise cursor control
- Long-lasting rechargeable battery
- Adjustable DPI (400–1600) for customizable pointer speed
- 4D scroll wheel enables vertical and horizontal navigation
- Nine programmable buttons
- Windows and macOS
- 3-year limited warranty

reddot winner 2026

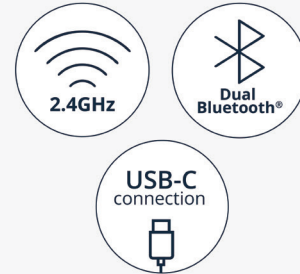

Pro Fit™ Ergo TB675 Vertical Wireless Trackball

Part Number: K72171WW | UPC: 0 85896 00601 5

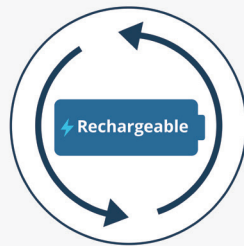

Ergonomist-Approved 60° Vertical Design

The contoured shape with 60° vertical tilt is designed to support more natural wrist and thumb positioning and is well suited for average-sized hands.

Triple Connectivity (2.4GHz + Dual Bluetooth® + Wired)

Connect up to four devices at once via a 2.4GHz wireless dongle with 128-bit AES encryption, dual Bluetooth®, and a wired USB-C® connection. A built-in device selector makes it easy to switch between devices for seamless, secure, multi-device productivity.

Long-Lasting Rechargeable Battery

A high capacity rechargeable battery delivers up to four months of use on a single charge.* Recharge easily using the included USB-C® cable, with LED indicators to show battery status. Supports continued use while charging, providing dependable wireless freedom with wired reliability when needed.

Metal 4D Scroll Wheel

A premium metal 4D scroll wheel supports smooth vertical scrolling and side-to-side navigation with a simple tilt. Its solid construction adds durability and control, making it easy to navigate wide spreadsheets, timelines, and large documents with precise, intuitive movement.

*Battery life may vary by use case.

Pro Fit™ Ergo TB675 Vertical Wireless Trackball

Part Number: K72171WW | UPC: 0 85896 00601 5

High-Precision Optical Tracking

A high-precision optical sensor paired with a 34mm thumb-operated trackball delivers smooth, accurate cursor control. Instantly switch between four DPI settings (400–1600) to adjust pointer speed for detailed work or fast navigation across screens.

Nine Programmable Buttons

Nine buttons support navigation, scrolling, and everyday commands. Using free Kensington Connect™ software, you can customize all buttons—including two default-assignable side buttons—with shortcuts or macros to personalize your workflow.

Easy-Clean Design

A patented quick release button lets you pop out the trackball in seconds for easy cleaning. Quick access helps remove dust and debris from the ball and socket, maintaining smooth tracking and consistent performance over time.

3-Year Limited Warranty & Kensington Quality

Built to Kensington's professional-grade standards and supported with a 3-year limited warranty.

Pro Fit™ Ergo TB675 Vertical Wireless Trackball
