The Fresh Monitor Riser

FreshView™ Wellness Monitor Stand with Air Purifier

Combine the ergonomic benefits of raising your monitor height with the wellness benefits of advanced air purification with the Kensington FreshView™ Wellness Monitor Stand with Air Purifier. The steel base elevates your monitor to an optimal viewing height and promote increased productivity. A quiet integrated air purifier utilises advanced filtration technologies to remove fine particulate matter (PM2.5) and volatile organic compounds (VOCs) for a fresher office. The sleek 2-in-1 patent-pending design provides a healthier and more organised workspace within a small desktop footprint. An ideal monitor riser for modern offices focused on employee wellness. Supports iMac and external monitors up to 27".

PM2.5

Smoke Purification

Dust Purification

Smell & Chemical Purification

Anti-dust Mite & Allergy

Features and benefits:

- **Ergonomic design** optimises comfort for the neck and shoulders by elevating the monitor to an optimal viewing height while also supporting environmental comfort for increased productivity
- **Steel base** offers stylish and durable support for monitors and all-in-one PCs up to 27" (max load: 90.7kg or 200lbs)
- **3-in-1 air purification system** is ozone free and uses a pre-filter with activated carbon and a HEPA 11 filter to remove 95% of common pollutants, including PM2.5, dust, particles and VOC odours and gases caused by smoking, new construction, new furniture, pets and cooking (lasts up to 2000 hours; replacement kits available – K55463WW)
- **USB powered unit** easily connects to a USB port on a docking station, laptop, power bank or mobile power adapter for quiet (35/45 dBA) and energy-efficient workspace air purification
- **Portable air purifier** can be removed and used as a standalone air purifier (194mm x 164.5mm x 92mm) in other personal spaces or cubicles up to 1.5 square metres
- **Cable management system** uses magnetic clips to keep cables organised for a tidier workspace
- **Kensington patent-pending modular design** supports comfort and productivity by allowing you to swap the air purifier with a cooling desk fan (K55855EU) or an integrated heater (K55465EU) to accommodate different seasons, environments or personal preferences

Why trust Kensington?

Kensington understands that the right office environment supports productivity and is proud to introduce the first office accessories to combine ergonomic designs with wellness benefits. Innovation, quality and trust have made Kensington The Professionals' Choice™ in ergonomic accessories for more than 20 years.
