Orbit® Trackball with Scroll Ring

Part Number: K72337WW | UPC Code: 0 85896 72337 0

The popular choice for professionals.

All-day comfort and scrolling come together in the Orbit Trackball with Scroll Ring. The award-winning scroll ring allows you to spin through web pages and long documents without the need for clicking. It offers better ergonomics, with less wrist and hand movement that will ease the pain of repetitive-stress injuries. KensingtonWorks™ software gives you the opportunity to assign specific functions to your buttons and create a truly customized productivity experience. Optical tracking provides smooth and accurate cursor control, and a detachable wrist rest offers terrific ergonomic support when you're hard at work.

Features include:

- Award-winning Scroll Ring lets you scan up and down pages with ease
- Medium 40mm ball is designed as a perfect sphere to provide exceptional precision
- KensingtonWorks™ software lets you customize the 2 buttons, adjust cursor and scrolling speed
- Optical tracking technology for superior cursor control and accuracy

- Detachable wrist rest supports hand and wrist for ergonomic comfort
- Ambidextrous design works equally well for both right-handed and left-handed users
- Plug & Play installation via wired USB connection
- Windows and Mac® compatible

Orbit® Trackball with Scroll Ring

Part Number: K72337WW | UPC Code: 0 85896 72337 0

Scroll Ring and Medium Ball

Spin the dial to move up and down web pages or documents with complete ease. The blue 40mm ball has been specially designed with an absolute spherical, hard surface for precise tracking and control.

Optical Tracking Technology

Provides precise cursor movement for superior accuracy so you can get where you want on the screen quickly with less hand movement, improving productivity and efficiency.

Detachable Wrist Rest

Soft cushioning cradles the hand and wrist in ergonomic comfort for pain-free productivity during extended periods of activity on the computer.

Ambidextrous Design

Works equally well for both right-handed and left-handed users to get the most out of their trackball.

KensingtonWorks™ Customization

Free downloadable software provides a personalized experience, giving you the ability to assign a variety of functions (including shortcuts) to the buttons, and adjust cursor and scrolling speed.

Plug & Play Installation

Quickly get clicking and scrolling with fast, simple installation through the reliable wired USB connection, plus it doesn't need batteries.
