ClickSafe® Combination Laptop Lock for Wedge-Shaped Security Slot

Part Number: K67936WW | UPC Code: 0 85896 67936 3

ClickSafe® locking technology allows the lock head to be attached with one hand in a single click

1.8m (6 ft.) carbon steel cable with plastic sheath resists tampering, offers peace-of-mind, and delivers the same level of cut and theft resistance as thicker cables.

Special pivot and rotate hinge on the cable allows flexible movement.

Kensington locks are verified and tested. Each lock is precision engineered to meet or exceed rigorous industry standards for strength, physical endurance, and mechanical resilience.

Register & Retrieve™

Register & Retrieve™, Kensington's online combination code registration program, allows for quick, secure, and easy code retrieval if your code is ever lost or forgotten.

A two-year warranty means you can rest assured knowing you're covered by Kensington, inventor and worldwide leader in laptop security locks.
