SD6000 Surface Go Docking Station

Part no: K38700EU | EAN Code: 5028252606547

Advance your Surface Go experience.

At last, the perfect Surface Go dock for maximum productivity, creativity and security has arrived. The game-changing SD6000 Surface Go Docking Station is the first all-in-one Surface Go docking solution exclusively designed for Microsoft Surface to provide the productivity benefits of a docking station, the creativity benefits of studio mode designing and surface pen stowing, and the security benefits of a flexible mounting solution.

- **Designed exclusively for Surface Go and Surface Go 2** – Built on Microsoft's proprietary Surface Connect technology, users can connect with confidence for a seamless dock and charge experience that looks great and functions perfectly.
- **Built-in security** – Secure your Surface Go and dock with the optional locking module and choose between our standard (K62918EU) or custom (K63251M) keying solutions. Add a Privacy Screen (K55900EU, 626663, 626664 or 626665) for visual security.
- **Productive desktop ports** – A powerful plug and play experience extends productivity via four USB-A 3.1 ports (5 V/0.9 A), one USB-C 3.1 port for data synchronization (5 V/3 A), a 3.5-mm combo audio jack and a Gigabit Ethernet port.
- **Versatile external display options** – Easily connect to external monitors, TVs or projectors via HDMI or DisplayPort (Single 4K @ 60Hz; Dual 4K @ 30Hz).
- **Protective engineering** – Extend the life of your investment with thoughtful design elements, including enhanced air flow, heat dissipation and an integrated cradle pin designed to protect the Surface Connect cable.

Designed for Microsoft Surface
