SmartFit® Laptop Riser

Raising your level of comfort at the desk.

Lift your laptop up to eye level to relieve neck and back strain. The laptop riser features the SmartFit System, which allows you to find your personal height setting for optimal comfort to reduce neck and back strain while you work.

SmartFit® Laptop Riser
K52783WW

- **SmartFit System:** Allows you to select your personal height setting using the included colour-coded fitting chart so you can set the riser at your personalised height
- **Zero Footprint Enabled:** Allows you to mount a compatible Kensington universal docking station under the platform, which is ideal for desktops with limited space
- **Cable Management:** Unique design under the laptop platform allows you to route cords in a clutter-free way, producing a cleaner desktop experience
- **Anti-Skid Tilt Design:** Ideally angled so any laptop up to 15.6" is cradled in stability on the platform due to non-slip pads
- **Kensington Security Slot:** Add a ClickSafe® or MicroSaver® lock to either the right or left leg of the stand to lock it down
