

OfficeAssist™ MF550 MotionBin Micro Cut Shredder

Part Number: K52053AM | UPC code: 0 85896 52053 5

Shred more, stress less.

In today's busy office environments, professionals face the crucial challenge of securely disposing of sensitive documents while maintaining efficiency. Traditional shredders often fall short, struggling with capacity, noise, and interruptions, which can lead to frustration and security risks. The state-of-the-art OfficeAssist™ MF550 MotionBin Micro Cut Shredder effectively addresses these concerns. Designed for the modern workplace, it shreds up to 10 letter-size sheets in just 10 seconds, providing high-level security with its micro cut capability. Featuring innovative MotionBin Technology that optimizes bin capacity, along with ultra-quiet operation and continuous shredding without overheating, the MF550 is the ideal solution for secure document disposal in any office setting.

- Shreds 10 sheets of paper in 10 seconds with staples and paper clips intact
- Micro cut shredding ideal for confidential business documents
- Rotating bin reduces the need for frequent emptying
- 35L bin holds up to 550 letter-size sheets
- Sleek circular design for optimal space efficiency
- Sturdy castor wheels for effortless mobility
- Dynamic LED display provides real-time alerts
- Anti-jam technology automatically stops and reverses paper
- Operates quietly at under 58dBa
- Eco sleep mode reduces energy consumption
- Tested to run up to 120 minutes without overheating
- 2-year limited warranty

OfficeAssist™ MF550 MotionBin Micro Cut Shredder

Part Number: K52053AM | UPC code: 0 85896 52053 5

Shred Up to 10 Sheets in 10 Seconds

Efficiently shreds up to 10 sheets of letter-size paper (80gsm) in just 10 seconds – ideal for fast-paced workspaces.

P-5 Security Rating

Micro cut shredding turns paper into 1/16" x 9/16" (2mm x 15mm) pieces. Ideal for confidential business documents.

Unique MotionBin Technology

Discover our innovative rotating bin, which optimizes capacity by 33%*, reducing the need for frequent emptying and supporting productivity through uninterrupted workflow.

Generous 35L Bin Capacity and Smart Design with Convenient Mobility

Experience seamless shredding with a generous 35L bin that holds up to 550 letter-size sheets, complemented by a sleek circular design for optimal space efficiency and four sturdy castor wheels for effortless mobility – perfect for high-demand environments.

*Capacity measurements taken with and without MotionBin Technology for comparison.

Dynamic LED Display and Anti-Jam Technology

Stay informed with a dynamic LED display that provides real-time alerts for bin status and overheating, paired with anti-jam technology that automatically stops and reverses paper to ensure efficient, uninterrupted shredding.

Ultra-Quiet Operation with Eco Sleep

Operates quietly at under 58dBa, effortlessly shredding paper with staples and paper clips intact. This promotes a quieter workspace while streamlining document disposal. Plus, it automatically shifts to a lowpower state during inactivity, reducing energy consumption.

Professional-Grade Engineering

A high-quality shredder designed for longevity and reliability. Tested to run up to 120 minutes without overheating, the MF550 ensures consistent performance and peace of mind for everyday office use.

OfficeAssist™ MF550 MotionBin Micro Cut Shredder

Product Dimensions

Unit Dimensions	589 x 406 x 320mm (23.18 x 15.98 x 12.59in)
Unit Weight	15kg (33.06lbs)
Security Level	P-5 - 1/16" x 9/16" (2 x 15mm)
Cut Style	Micro Cut

Packaging Dimensions

Packaging Dimensions	765 x 446 x 435mm (30.11 x 17.55 x 17.12in)
Packaging Weight	18kg (39.68lbs)

Power & Environmental

Operating Temperature	5 to 30°C
Operating Humidity	30 to 70% non-condensing
Storage Temperature	-20 to 70°C
Storage Humidity	30%-95% non-condensing
Voltage	120v / 60Hz

Country of Origin, Regulatory, and Warranty

Country of Origin	China
Regulatory Compliance	IEC, UL, CAN/CSA, FCC, ICES, TUV-Süd
Warranty	Limited 2 Years
