Bring clarity to your next big idea with Quartet Brilliance Glass. Our premium, true white glass delivers sleek and professional style to any office or home.

As compared to the base GREENGUARD certification, the GREENGUARD Gold Certification standard includes health-based criteria for additional chemicals and also requires lower total VOC emissions levels to help ensure that products are acceptable for use in environments like schools and health-care facilities.

## What makes Brilliance better?

- Stunning White Color – Contains less iron than standard glass, which removes the green tint. Brilliance glass and color are carefully inspected for clarity and consistency.
- Improved warranty – 25 year limited warranty.
