

Direct Attach Privacy Screen Filter for MacBook Neo 13"

Part Number: RMMBN130E1610A | UPC: 0 85896 04341 6

Precision-fit privacy for MacBook Neo.

Professionals working on laptops in open offices, shared spaces, or public environments face increased risk of visual data exposure, alongside screen glare and eye strain during extended work sessions.

Purpose-built for the MacBook Neo 13", the Direct Attach Privacy Screen Filter helps safeguard sensitive information with a $\pm 30^\circ$ limited viewing angle. Its anti-reflective coating and up to 54% blue light reduction enhances viewing comfort across changing lighting conditions, while the reversible matte or glossy surface adapts to user preference.

Durable, scratch-resistant, and designed for daily use, the filter delivers dependable privacy and comfort wherever work happens.

- Supports full closure, sleep mode, and webcam use
- Limits viewing angle to $\pm 30^\circ$
- Filters up to 54% of blue light
- Low reflective coating for clearer visibility in bright environments
- Reversible matte and glossy viewing options
- Scratch-resistant matte side for added durability and protection
- Meets wipe down testing standards
- 2-year limited warranty

Direct Attach Privacy Screen Filter for MacBook Neo 13"

Part Number: RMMBN130E1610A | UPC: 0 85896 04341 6

Precision Engineered for MacBook Neo 13"

Designed for MacBook Neo*, the privacy screen supports full functionality — allowing complete closure, sleep mode, and clear video calls without interference.

Privacy-Focused Viewing Angle

Narrows the field of vision to $\pm 30^\circ$, helping you keep the information on your screen private and reducing the chances of a visual data breach in the office or in a public setting.

Blue Light Reduction

Filters up to 54% of blue light and is designed to support visual comfort during extended screen time.

Low Reflective Coating

Reduces reflections from overhead lighting and bright environments for improved on screen visibility.

*Not compatible with other MacBook models or screen sizes.

Direct Attach Privacy Screen Filter for MacBook Neo 13”

Part Number: RMMBN130E1610A | UPC: 0 85896 04341 6

Reversible Viewing Options

Users can choose which side suits their environment: matte side reduces glare and fingerprints, glossy side enhances clarity and vibrancy.

Simple Installation

Double-sided adhesive strips provide a secure fit.

Scratch-Resistant Surface

The matte side features a resilient, scratch resistant surface rated to 2H hardness, ensuring increased durability and protection.

Military-Grade Protection

Meets wipe down (MIL-STD-810H Method 504.3 Contamination by Fluids) testing standards.

2-Year Limited Warranty

Built to Kensington's professional standards and backed by a 2-year limited warranty.
