SmartFit™ - Comfort Made Easy

Supports proper ergonomic eye-level viewing angles using data-driven research and a color-coded fitting chart to support quick and intuitive height-setting.

Reduce Eye/Neck Strain

By setting your monitor at the proper height that's in line with your eyes, you can lower the chances you will suffer from aches and pain after spending long hours on the computer.

Larger, Sturdier Universal Platform

The base of the stand is large enough to fit a wide variety of standard and widescreen monitors up to 18kg. with a screen size of up to 27 inches.

Desktop Optimization

The roughly 20.5" area underneath the stand is extra wide and can be used to store a full-size keyboard, accessories or papers, allowing you to maximize your desktop space.

New Look, Same Quality

In our ongoing effort to provide additional value to our customers, you may notice variations in SmartFit™ packaging and support materials. The updates are designed to make it easier to identify and use our SmartFit™ products. Rest assured, the quality standards that have made SmartFit™ a trusted choice for ergonomic accessories will remain unchanged.
