Kensington®

Wireless Presenters with Nano Receivers

With Red Laser – Part No. 33374EU, UPC Code: 0 85896 33374 6
Laserless – Part No. K33373EU, EAN Code: 5 028252 290401

Present like a pro.

Present like a pro with the Wireless Presenter. Designed for professionals, these remotes allow you to focus on making an effective presentation, harnessing a reliable wireless connection and natural controls.

The intuitive four-button layout lets you easily navigate forward and back within your PowerPoint or Keynote slides, while the other two buttons let you hide your screen and play a slideshow.

The wireless USB-A nano receiver conveniently stores inside the battery compartment when not in use

Features include:

- Intuitive 4-button layout
- Choice of red laser (33374EU) or laserless (K33373EU) designs
- Plug-and-Play 2.4GHz wireless connection
- Convenient USB-A nano receiver storage
- Secure (AES 128-bit encryption)
- Up to 20m (65') wireless range
