

H950 EQ USB-C®/USB-A On-Ear Headset

Part Number: K97468WW (Retail) | UPC Code: 0 85896 03841 2

Part Number: K97469WW (Brown box) | UPC Code: 0 85896 03851 1

Reliable
performance
at an
affordable
price.

Long days filled with calls and virtual meetings can become frustrating when a headset is uncomfortable or difficult to set up. Too often, entry-level headsets ask professionals to compromise—sacrificing comfort or ease of use just to stay within budget.

The H950 EQ USB-C®/USB-A On-Ear Headset is built to remove those trade-offs. It offers a lightweight, comfortable fit together with simple plug-and-play connectivity that easily works across devices. With reliable call quality at an accessible price, the H950 EQ is a practical, everyday headset.

- Plug-and-play USB-C® connectivity with USB-A adapter included
- Environmental noise-cancelling (ENC) boom mic reduces background noise for clearer calls
- Convenient flip-to-mute boom microphone
- In-line controller adjusts volume, manages calls*, playback, and voice assistant access
- Adjustable headband and soft on-ear cushions
- Sidetone lets you hear your own voice naturally while speaking
- Compatible with Microsoft Teams, Zoom, and more on Windows, macOS, and ChromeOS
- Maximum volume limited to 100dB (EN 50332 compliant) to help protect hearing
- Plastic contains 36% post-consumer recycled (PCR) content**
- 2-year limited warranty

*Call controls work with mobile cellular calls only and are not supported for UC or VoIP applications (such as Microsoft Teams, Zoom, or Webex).

**Excludes printed circuit board (PCB) assembly.

H950 EQ USB-C®/USB-A On-Ear Headset

Part Number: K97468WW (Retail) | UPC Code: 0 85896 03841 2

Part Number: K97469WW (Brown box) | UPC Code: 0 85896 03851 1

Simple Plug-and-Play Connection

Delivers reliable plug-and-play connectivity via USB-C®, with a USB-A adapter included for broader device compatibility. The 6ft (1.8m) cable offers flexibility to move at your desk without unplugging.

Clear Calls in Noisy Environments

The built-in environmental noise-cancelling (ENC) boom microphone reduces background noise, so your voice comes through clearly, even in busy or loud environments.

Instant Mute & Quick Controls

The flip-to-mute function allows you to mute instantly by rotating the mic upward. The in-line controller lets you adjust volume, manage calls*, control playback, and access supported voice assistant features without touching your device.

Comfortable Design

Designed for extended use, with an adjustable headband for a secure fit and soft on-ear cushions that provide hours of comfort.

H950 EQ USB-C®/USB-A On-Ear Headset

Part Number: K97469WW (Brown box) | UPC Code: 0 85896 03851 1

Copilot AI Assistant Integration**

A dedicated button provides quick access to Windows Copilot and enables voice dictation. With compatible setups, the button can be used to activate supported Copilot voice commands.

Sidetone & Noise Reducing Earcups

Sidetone lets you hear your own voice while speaking, helping you talk more naturally and confirm that your microphone is active, while padded earcups help reduce ambient distractions.

Broad Compatibility

Works with popular conferencing platforms like Microsoft Teams, Zoom, and more. Plug-and-play compatibility with Windows, macOS, ChromeOS, USB-C® tablets and smartphones makes setup simple.

Safe Listening Volume Limit

The headset's maximum output is capped at 100dB to comply with EN 50332 safety standards. This volume limiting feature helps protect your hearing by preventing sound levels from exceeding a safe threshold during extended use.

Sustainability Attributes

The plastic in the H950 contains 36% post-consumer recycled (PCR) content*** and it is shipped in FSC® certified packaging.

2-Year Limited Warranty

Backed by professional support and a 2-year limited warranty.

*Call controls work with mobile cellular calls only and are not supported for UC or VoIP applications (such as Microsoft Teams, Zoom, or Webex).

**Copilot key functionality is supported on Windows PCs where the Copilot app is available.

***Excludes printed circuit board (PCB) assembly.
