

MagPro™ Elite Magnetic Privacy Screen for Surface Laptop Studio

Part Number: K51701WW | UPC Code: 085896517016

Privacy begins on screen.

The move toward hybrid working means that the modern workplace is no longer a single, easy-to-secure location. Users can be working anywhere, with an increased chance of visual hacking. Owners of the Surface Laptop Studio require a privacy screen that can be quickly attached and detached, allowing the laptop to close completely to enter sleep mode. The MagPro™ Elite Magnetic Privacy Screen attaches seamlessly to the Surface Laptop Studio's magnetic frame, requiring no inconvenient adhesives. Allowing the device to close completely, the screen narrows the viewing angle to +/- 30°, limiting the chance of unauthorized viewing and reducing harmful blue light and glare. Two-year warranty.

Features include:

- Designed exclusively for Surface
- Seamlessly and easily attaches to the Surface Laptop Studio's magnetic frame
- Limits viewing angle to +/- 30 degrees
- Anti-glare matte coating prevents fingerprints
