VeriMark™ Fingerprint Key - Designed for Surface

Part number: K64707EU | EAN code: 5028252612425

Best-in-class authentication to support Windows Hello and FIDO U2F

As the first fingerprint security key to support Windows Hello and Fast IDentity Online (FIDO) universal 2nd-factor authentication (U2F), the Kensington VeriMark Fingerprint Key delivers practical usability with the same quality-focused security that has made Kensington The Professionals' Choice™ for more than 25 years. Engineered to provide simple, fast and secure Windows log-on and a seamless 2nd-factor authentication experience, the VeriMark Fingerprint Key protects against unauthorised access on compromised devices, while also offering unprecedented cyber security for today's cloud-based world.

- Advanced Fingerprint Technology
- Universal Integration
- FIDO U2F Certified
- Exclusively Designed for Surface
- Compact Design

Kensington®

VeriMark™ Fingerprint Key - Designed for Surface

Part number: K64707EU | EAN code: 5028252612425

Advanced fingerprint technology - combining superior biometric performance and 360° readability with anti-spoofing protection, the VeriMark™ Fingerprint Key provides universal 2nd-factor authentication security to protect your data from cyber thieves. With a fingerprint algorithm that exceeds swipe sensors and industry standards with a False Rejection Rate (FRR) of 3% and a False Acceptance Rate (FAR) of 0.002%, the key easily outperforms the competition.

Universal integration - provides scalable, out-of-the-box access for Windows computers and platforms, including biometric login for Windows Hello™. Advanced security made simple so you can protect against unauthorised network access on compromised devices, while also reducing fraud and identity theft.

FIDO U2F Certified - improving your experience in a two factor authentication world, the Fast IDentity Online (FIDO) universal 2nd-factor authentication (U2F) Certification ensures seamless interoperability and meets security key login requirements for cloud-based service and software providers, including Google, Dropbox, GitHub and Facebook.

Exclusively Designed for Surface - Kensington worked directly with Microsoft® to provide professional-level biometric security for Microsoft Surface, allowing you to work with confidence.

Compact design - small and easy to carry, the VeriMark™ Fingerprint Key easily attaches to a standard keyring for convenient portability.

VeriMark™ Fingerprint Key - Designed for Surface

Part number: K64707EU | EAN code: 5028252612425

System requirement

Operating systems supported	Windows 7, 8.1, 10
Plug & Play	Software installation required. Driver will automatically be downloaded via Windows update. FIDO U2F supported browser or plug-in, e.g. Chrome browser.
Software	Download from Kensington website Kensington Fingerprint Application (Win 7, 8.1), VeriMark Password Manager (Win 10)
USB interface	Support USB 2.0/3.0 type A

Security

USB data encryption	AES-256/SHA-256 SSLv3 for secure session establishment RSA-2048 public key cryptography for key exchange, authentication and data validation
False Rejection Rate (FRR)	3%
False Acceptance Rate (FAR)	0.002%

Product dimensions (with cap / without cap)

Unit width	16.1 / 16.1mm
Unit length	30.4 / 20.0mm
Unit height	9.9 / 9.9mm
Unit weight	4g
Enclosure colour and material	Black PC / ABS

Power and environmental

Power imaging	~15mA @ 3.3V
Power standby	~3mA @ 3.3V
Relative humidity	5% to 95% non-condensing
Operating temperature	0 to 40°C
Storage temperature	-10 to 55°C

VeriMark™ Fingerprint Key - Designed for Surface

Part number: K64707EU | EAN code: 5028252612425

LED indicator

	Blue LED light	On: Request fingerprint for login (for Windows login, U2F, and VeriMark Password Manager login) Blinking: Recognise the correct fingerprint Off: Standby mode
	Red LED light	Error/incorrect fingerprint

Country of origin, regulatory and warranty

	Country of Origin	Taiwan
	Warranty	2-year limited – worldwide
	Certifications & compliance	FCC, CE, RCM, REACH, WEEE, RoHS, FIDO U2F, Windows Hello, WHQL, Designed for Surface

K64707EU packaging dimensions

	Packaging style	Retail box
	Packaging width	80mm
	Packaging depth	130mm
	Packaging height	20mm
	Packaging weight	33g
	Master carton	5-in-1
	Package content:	(1) VeriMark Fingerprint Key (1) Quick Start Guide (1) Warranty information
