

Locking Eyelet for Wedge-Shaped Slots

Part Number: K67600WW | UPC Code: 085896676003

Security that you can trust.

As an accessory to Kensington's desktop and peripherals locking kits (K64615US and K64424WW), the Locking Eyelet for Wedge-Shaped Slots is an excellent solution for securing laptops or desktop peripherals because of its unique barrel design. Included spacers ensure a proper fit. The robust barrel cylinder rotates 360-degrees for maximum flexibility when the security cable is installed. Takes seconds to attach or detach using the included allen wrench. Five-year warranty. From Kensington, inventor of the laptop cable lock, and industry leader in physical device security for more than 25 years.

Features include:

- Unique barrel design, excellent for securing laptops or desktop peripherals
- Included spacers ensure a proper fit
- Once secured, barrel rotates 360-degrees for flexibility
- Non-permanent — attaches and detaches in seconds using the included allen wrench
- Five-year warranty

Locking Eyelet for Wedge-Shaped Slots

Part Number: K67600WW | UPC Code: 085896676003

Excellent for Securing Laptops or Desktop Peripherals

The unique and robust barrel cylinder rotates 360-degrees for maximum flexibility when the security cable is installed.

Spacers Included

Because not all laptops with wedge-shaped slots have the same eyelet wall thickness, we've included spacers that (if necessary) will ensure a proper fit.

Non-Permanent

Attaches and detaches in seconds using the included allen wrench.

Five-Year Warranty

Rest assured knowing you're covered by Kensington, inventor and worldwide leader in laptop security locks.
