

Pro Fit™ Ergo MY435 EQ Wired Mouse

Part Number: K72512NA | UPC code: 0 85896 00391 5

Comfortable,
reliable,
and quiet.

Professionals want a comfortable and reliable mouse for both home and office use. Long hours at the computer can lead to discomfort, and noisy clicking can be distracting. The Pro Fit™ Ergo MY435 EQ Wired Mouse tackles these issues with its ergonomic mid-size design and silent-click buttons, enhancing workspace comfort. With six programmable buttons and a plug-and-play connection, the MY435 ensures all-day comfort with the reliable performance of a wired setup.

- Mid-size ergonomic design for right-handed users with small to average-sized hands
- Quiet-click left and right buttons
- Offers six programmable buttons to support workflow needs
- Durability tested for millions of clicks
- High definition optical sensor with three DPI settings
- The outer case of this mouse is made with 60% post-consumer recycled (PCR) plastic*
- 3-year limited warranty

*Excludes scroll wheel and DPI button

Pro Fit™ Ergo MY435 EQ Wired Mouse

Part Number: K72512NA | UPC code: 0 85896 00391 5

Ergonomic Mid-Size Design

Supports proper hand and wrist positioning for right-handed users with small to average-sized hands to reduce fatigue.

Quiet-Click Buttons

Quiet-Click Buttons Ideal for shared or open workspaces, the MY435 offers quiet-click left and right buttons to support a more peaceful environment for focused productivity.

Programmable Buttons

Personalize up to six buttons on your MY435 using free Kensington Connect™ software to enhance productivity and support your workflow.

Durability Tested

Independently verified to rigorous specifications, this mouse has been tested for millions of clicks on both the buttons and scroll wheel. It meets or exceeds industry standards for mechanical resilience, ensuring reliable performance in a mouse built to last.

High Definition Optical Sensor

Easily adjust cursor precision and sensitivity with three DPI options: 1000, 1600, and 2400. A light under the scroll wheel provides convenient visual confirmation of your current DPI setting.

Sustainability Attributes

The outer case of this mouse is made with 60% post-consumer recycled (PCR) plastic*

*Excludes scroll wheel and DPI button
