More comfort,
more security,
more sustainable.

Modern professionals require a laptop backpack that combines comfort, security and sustainability. Many options lack an ergonomic design or fail to protect devices adequately.

Contour™ 2.0 EQ Laptop Backpacks address these challenges with a comfortable ergonomic design, padded and lockable device compartments and durable water-resistant 1680D polyester, partially made from recycled materials.

With a hidden RFID-blocking pocket, travel-friendly design and versatile carrying options, these backpacks empower users to travel with more comfort and security, while supporting the use of more recycled materials.

- Comfortable ergonomic design with heat-dissipating contoured back
- Padded and lockable laptop compartment
- Durable water-resistant 1680D polyester containing partially recycled materials using plastic bottles
- RFID-blocking pocket protects cards from unauthorised scanning
- Trolley strap for easy attachment to luggage
- Padded straps and handles
- 5-year limited warranty

Part Number: K60382EU (Business 15.6"), EAN Code: 5028252596855

Part Number: K60381EU (Pro 17"), EAN Code: 5028252596862

Comfortable Ergonomic Design

Heat-dissipating contoured back helps shift weight from the shoulders to the hips for enhanced comfort.

Padded & Lockable Laptop Compartment

The padded laptop compartment offers drop protection that shields your devices from bumps and falls, while the lockable and puncture-resistant zippers help prevent device theft.

Rugged Material with Improved Sustainability

Made using durable, water-resistant 1680D polyester, each backpack contains post-consumer recycled (PCR) content using plastic bottles, providing reliable protection against abrasions, punctures and tears.

14" - 39% PCR, 36 x 250ml plastic bottles

15.6" - 34% PCR, 40 x 250ml plastic bottles

17" - 36% PCR, 46 x 250ml plastic bottles

RFID-Blocking Pocket

The hidden RFID-blocking pocket protects your sensitive cards and IDs from unauthorised scanning while keeping them organised and easily accessible.
