SmartFit™ - Comfort Made Easy

Supports proper ergonomic wrist posture for improved circulation. Uses data-driven research and a colour-coded fitting chart to support quick and intuitive height-setting.

Height Adjustable Inserts

Stack the coloured inserts up to your comfort colour, helping to set your wrist at the correct angle, avoiding injury and enhancing comfort.

Gel Wrist Pad

The cool, soft cushioning adapts to the natural curves of your wrist for premium comfort and support while you're scrolling and clicking, taking pressure off your joints which is especially important during extended periods of usage.
