

Elevated Stand for Surface

Part Number: K58277WW | UPC Code: 0 85896 58277 9

The ideal riser for Surface Pro and Surface Go.

If you're looking for ways to elevate your Surface-based workspace, the Elevated Stand for Surface is an ideal choice.

Designed exclusively for Surface™ in collaboration with Microsoft, the Elevated Stand for Surface is a sleek and compact accessory for your Surface Pro or Surface Go that effortlessly enhances comfort, security and productivity. This innovative all-in-one riser elevates the Surface to eye level to support ergo-friendly workstations with external keyboards, supports optimum viewing angles and provides a simple security solution for both the device and stand.

An ideal choice for elevating your Surface-based workstation, the Elevated Stand for Surface is designed to increase your comfort, security and productivity.

- Built in collaboration with Microsoft for seamless form, fit and function
- Supports all-day comfort with lift and tilt options
- Easy to pack and use anywhere
- Kensington lock compatible
- Flexible positioning supports a variety of usage needs
- Cable management channel
- Magnetic storage location for Surfink™ connector
- Anti-slip padding and anti-slip cushioning
- 2-year limited warranty

Elevated Stand for Surface

Part Number: K58277WW | UPC Code: 0 85896 58277 9

Designed Exclusively for Surface Pro and Surface Go

Built in collaboration with Microsoft for seamless form, fit and function. The sleek and professional industrial design makes it an ideal multi-functional accessory for elevating your Surface workstation. Compatible with Surface Pro 7, 7+, 8, 9, 10, 11 and Surface Go 2, 3 and 4.

Ergo Friendly

Designed to increase workstation comfort, the stand elevates the Surface to eye level (320mm/12.6”), minimising strain on your neck, back and shoulders. Tilt options accommodate an optimum viewing angle to ease eye strain. Ideal for use with external keyboards, such as the Wireless TypeCover Keyboard.

Compact and Portable

The compact and foldable design offers convenient portability with release button, ensuring you can carry it with ease wherever you go.

Security Focused

Enhance security, deter theft and provide peace of mind using a single Kensington lock (K68134WW, sold separately) to secure both the Surface and the stand.

Elevated Stand for Surface

Part Number: K58277WW | UPC Code: 0 85896 58277 9

Flexible Positioning

The riser utilises the Surface kickstand to deliver full-tilt motion for the perfect viewing angle, or flip the Surface for a seamless face-to-face experience.

Cable Management and Magnetic Storage

A cable management channel helps eliminate desktop clutter for a clean and organised workspace, with a dedicated magnetic storage location ensuring your SurfLink™ connector is never lost.

Anti-Slip Padding

Anti-slip padding on the bottom of the riser supports stability and prevents movement during use. Anti-slip cushioning on the top surface keeps secondary devices from slipping.

Elevated Stand for Surface
