High Clarity Privacy Screen Filter for MacBook Neo 13”

Part Number: HCMBNEO1326EE | EAN Code: 4049793086491

Brilliant clarity. Trusted privacy.

Professionals working with confidential data need reliable visual privacy - especially in shared offices, cafés or while travelling - without sacrificing screen quality or comfort during long work sessions.

Purpose-built for MacBook Neo 13”, the High Clarity Privacy Screen Filter delivers protection without compromise. Advanced nanolouvre technology provides up to 40% greater light transmission than standard privacy screens,* ensuring brighter visuals and clearer text.

A ±30° viewing angle keeps sensitive information secure. Blue light reduction and a low-reflective coating further enhance day-long viewing comfort.

- **Up to 40% greater light transmittance***
- **Purpose built for the MacBook Neo 13”**
- **±30° privacy viewing angle**
- **Filters up to 28% of blue light**
- **Low-reflective coating reduces glare**
- **Simple to install**
- **2H scratch resistant surface**
- **Meets MIL-STD-810H wipe down testing standards**

* Performance comparisons are made against Kensington 2-way removable privacy screen filters.

Product Sheet

High Clarity Privacy Screen Filter for MacBook Neo 13”

Part Number: HCMBNEO1326EE | EAN Code: 4049793086491

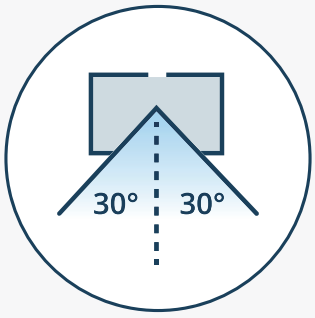

High Clarity Technology

Cutting-edge nanolouvre technology enhances light transmittance by up to 40% compared to standard privacy screens.*

Precision Engineered for MacBook Neo 13”

Designed for MacBook Neo**, the design supports full functionality — allowing complete closure, sleep mode and clear video calls without interference.

Privacy-Focused Viewing Angle

Narrows field of view to ±30°, shielding onscreen information from prying eyes and reducing the chance of a visual data breach.

Blue Light Reduction

Filters up to 28% of the laptop’s blue light rays and is designed to support visual comfort during extended screen time.

* Performance comparisons are made against Kensington 2-way removable privacy screen filters.
** Not compatible with other MacBook models or screen sizes.
