

SmartFit™ Ergo Freestanding Dual Monitor Stand

Part Number: K58271WW | UPC Code: 0 85896 58271 7

Effortless
dual monitor
support.

SmartFit™

Professionals want dual monitor workstations but often struggle to find simple ways to setup and adjust the screens.

Providing the installation ease of a monitor stand with the adjustability benefits of a monitor arm, the SmartFit™ Ergo Freestanding Dual Monitor Stand eliminates the need for complex installations and provides intuitive height adjustability.

With pan, tilt, and swivel adjustments, users can easily customize their viewing angles for optimal comfort and productivity, ensuring a more ergonomic workspace.

Features include:

- SmartFit™ simplifies proper ergonomic positioning
- Desktop base mount ensures hassle-free installation
- Curved horizontal rail provides comfortable and immersive viewing experience
- Durable steel construction for long-lasting reliability
- Accommodates up to two 27" monitors weighing up to 22lbs (10kg) each
- Quick-release handle allows for swift and convenient height adjustments
- Anti-slip silicone pad provides stable surface for phones or tablets
- 5-year limited warranty

SmartFit™ Ergo Freestanding Dual Monitor Stand

Part Number: K58271WW | UPC Code: 0 85896 58271 7

SmartFit™ Comfort Made Easy

Supports proper ergonomic eye-level viewing angles, as well as improved neck and shoulder alignment. Uses data-driven research and a color-coded fitting chart to support quick and intuitive height-setting.

Hassle-Free Installation

Features a desktop base mount, eliminating the need for drilling holes or clamping mounts to the desk, while significantly reducing the time and labor costs associated with setting up a dual monitor workstation.

Curved Horizontal Rail

Effortlessly positions monitors in an angled orientation that follows the natural curvature of the human eye, providing a more comfortable and immersive viewing experience. Also consolidates the dual monitor setup's footprint, freeing up valuable workspace while creating a sleek, integrated aesthetic for the workstation.

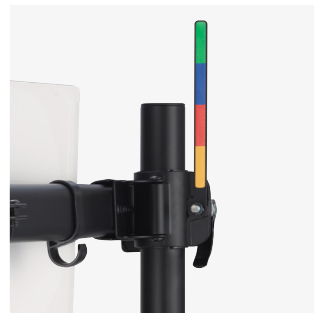

Sturdy Construction with Weighted Base

Constructed with durable steel materials for long-lasting reliability. Weighted base provides stability and support, ensuring monitors remain securely in place.

Dual Monitor Support

Accommodates up to two 27" monitors via a VESA® 75/100 mounting hole pattern. Supports monitors weighing up to 22lbs (10kg) each. Adjustment options include $\pm 45^\circ$ tilt, $\pm 180^\circ$ rotation, and $\pm 15^\circ$ pan/swivel.

Quick-Release Handle for Toolless Height Adjustment

Easily adjust monitor height up to 16.9" (430mm) without tools. The quick-release handle allows for swift and convenient height adjustments, adapting to individual preferences with ease.

Silicone Pad for Phone/ Tablet

Includes a convenient anti-slip silicone pad as a stable surface for phones or tablets.
