

Locking Kit for Mac Studio

Part Number: K65100WW | UPC Code: 0 85896 65100 0

Designed to blend
in and keep your
Mac Studio secure.

If you're looking for a way to secure your Mac Studio, the Locking Kit for Mac Studio has everything you need.

Designed specifically for Apple, the kit installs in minutes, with no tools or modifications necessary. It won't get in the way, and is designed to perfectly complement the Mac Studio look and feel.

Verified and tested for industry-leading standards in torque/pull, foreign implements, lock lifecycle, corrosion, and other environmental conditions, this locking kit comes with a five-year limited warranty. So you can rest assured knowing you're covered by Kensington, inventor and a worldwide leader in laptop security locks.

Features include:

- Designed specifically for Apple
- No tools required
- Won't block ports
- Includes NanoSaver® combination lock, cable with protective nylon sheathing, and locking plate adapter
- Verified and tested
- Register & Retrieve™
- Five-year limited warranty

Locking Kit for Mac Studio

Part Number: K65100WW | UPC Code: 0 85896 65100 0

Designed Specifically for Apple

Designed to perfectly complement the Mac Studio design, while providing outstanding security.

No Tools Required

Attaches easily, and doesn't require any modifications to the Mac Studio.

Unobtrusive Design

Won't block ports or unevenly raise the Mac Studio off its surface.

Everything Included to Secure Your Mac Studio

Includes Kensington's NanoSaver® combination lock, braided carbon steel cable with protective nylon sheathing, and locking plate adapter.

Verified and Tested

Each Kensington lock is precision engineered to meet or exceed rigorous industry standards for strength, physical endurance, and mechanical resilience.

Register & Retrieve™

Register & Retrieve™

Kensington's online code registration program that allows for quick, secure, and easy combination lookup if it is ever forgotten.

Five-Year Limited Warranty

Rest assured knowing you're covered by Kensington, inventor and a worldwide leader in laptop security locks.
