- Up to 240 lumens in 5 color settings with 5 levels of brightness
- Includes desktop stand, monitor mount, and mobile device clip
- USB-A or battery powered
- Kensington ecosystem compatible
- 2-year limited warranty

ProGlow™ Portable Video Conferencing Light

Part Number: K87640CA | UPC Code: 85896876403

Compact Design

A lightweight and portable solution that accommodates a variety of workspaces and mobile device setups.

Kensington Ecosystem Compatible

Create a tailored Professional Video Conferencing setup based on your environment by combining with other accessories, like the H3000 Bluetooth® Over-Ear Headset.

Flattering Lighting

Provides a wide temperature range (3000K to 6500K) and up to 240 lumens in 5 color settings with 5 levels of brightness via a frameless diffuser—ensuring soft, flattering lighting in any setting.

Versatile Mounting Options

Accommodates a wide range of setups. The desktop stand/monitor mount pivots vertically up to 180°, rotates 360°, and extends up to 8.5 inches (216mm). The mobile device clip pivots, rotates, and easily attaches to smartphones and tablets.

USB-A or Battery Powered

No outlet required—simply attach to any open USB-A port on your laptop or docking station, or use the integrated 2000 mAh battery for 2 to 25h of usage while on the go.

* Includes charging cable.

*Actual usage time may vary depending on brightness setting and a fully charged battery.
