

VeriMark™ NFC+ USB-A Security Key

Part Number: K64738WW | UPC Code: 0 85896 64738 6

Two-factor
security,
one tap.

Today's digital landscape is characterised by persistent password-related vulnerabilities - from weak or reused credentials to increasingly sophisticated phishing schemes - highlighting the need for enterprise-grade security solutions.

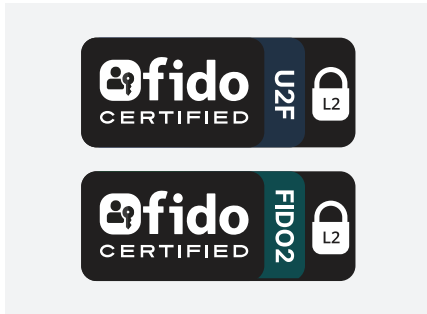

The VeriMark™ NFC+ USB-A Security Key delivers strong, hardware-based multifactor authentication. With support for FIDO CTAP 2.1, authentication requires a physical tap via USB-A or NFC, ensuring only legitimate login attempts succeed, helping to prevent phishing and unauthorised access.

Despite its advanced security capabilities, VeriMark™ is designed for everyday ease of use. No software installation or batteries are required - users simply tap the key to authenticate seamlessly across devices and platforms across devices and platforms.

- FIDO2 Level 2 certified security for phishing-resistant protection
- FIDO CTAP 2.1 for enhanced security features (e.g. resident credentials, Passkey support)
- Backwards compatibility with CTAP 2
- Tap via USB-A port or NFC
- No drivers needed
- Windows, macOS, ChromeOS, iOS and Android compatible
- Supports Passkeys and Apple ID
- Compact and portable
- IP68-rated for dependable performance
- 2-year limited warranty

VeriMark™ NFC+ USB-A Security Key

Part Number: K64738WW | UPC Code: 0 85896 64738 6

FIDO2 Level 2 Certified Security

Enterprise-grade authentication that protects against phishing, identity theft and unauthorised access.

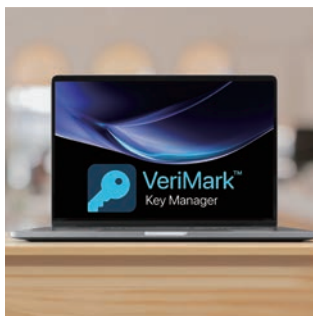

FIDO CTAP 2.1 Protocol Support

Supports the latest FIDO CTAP 2.1 protocol and is backward compatible with CTAP 2, enabling enhanced security features such as resident credentials, user verification and cross-platform Passkey support. It also offers enterprise attestation, verifying the authenticity of devices for secure access within an organisation.

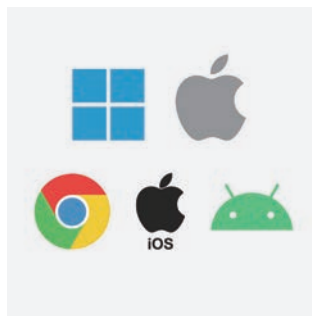

USB-A + NFC Dual Interface

Tap-and-go convenience with USB-A connectivity and contactless NFC support for both mobile and desktop devices.

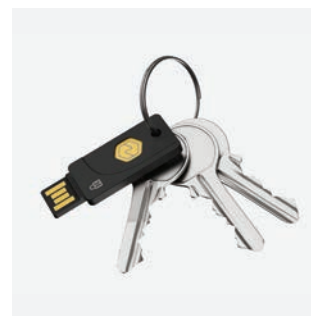

VeriMark™ Software Suite

Works instantly without drivers or software installation required. For expanded functionality, optional software (VeriMark™ Key Manager, VeriMark™ Access* and VeriMark™ Companion) is available to provide additional features and enterprise integration capabilities.

Cross-Platform Compatibility

Seamless integration across all major platforms, including Windows 10/11, macOS, ChromeOS, iOS and Android. Compatible with browsers such as Safari, Chrome, Firefox, Opera and Edge. Also supports Passkeys, Apple ID, FIDO2, U2F and PIV for enhanced security and convenience.

Compact & Portable

Slim design with an easy-touch surface for quick authentication on-the-go. Attaches to your keychain for convenience and portability.

Durable Design

Engineered to endure harsh conditions, the IP68-rated design provides water and dust protection, together with robust crush resistance.

*ARM-based CPU laptops are not supported by VeriMark™ Access at this time. Not compatible with macOS.

VeriMark™ NFC+ USB-A Security Key

Part Number: K64738WW | UPC Code: 0 85896 64738 6

System Requirements

Operating Systems Supported	Windows 10/11, macOS 10.15 and later, ChromeOS 75 and later, iOS 13.3 and later, Android 8.0 and later
Plug & Play	Yes, no drivers needed
Software	Download from kensington.com
Additional Software Information	VeriMark™ Key Manager, VeriMark™ Access, VeriMark™ Companion (Phone App)

Interface & Connections

Connector	USB-A, NFC
USB Connector Type	USB-A 2.0/3.0

Security

Secure IC	NXP JCOP4 P71
USB Data Encryption	RSA-2048/ECC P-256 & P-384/AES-128, AES-192, AES-256/3DES/SHA-1, SHA-256

LED Indicators

Blue LED	Request for Tap-and-Go
----------	------------------------

Product Dimensions

Unit Weight	45g (0.14oz)
Unit Dimensions	48 x 18 x 4mm (1.90 x 0.72 x 0.16")
Enclosure Colour & Material	Nylon 6 (Polyamide 6), glass-fibre reinforced

Packaging Dimensions

Packaging Style	FSC® certified brown envelope
Packaging Dimensions	93 x 88 x 124mm (3.66 x 3.46 x 4.88")
Packaging Weight	0.26kg (0.57lb)
Master Carton	10pcs
Packaging Content	1 x VeriMark™ NFC + USB-A Security Key 1 x Welcome Insert 1 x Warranty Insert 1 x RoHS Sheet

VeriMark™ NFC+ USB-A Security Key

Part Number: K64738WW | UPC Code: 0 85896 64738 6

Power & Environmental

Operating Temperature	0 to 40°C (32 to 104°F)
Storage Temperature	-20 to 85°C (-4 to 185°F)

Country of Origin, Regulatory and Warranty

Country of Origin	Taiwan
Certifications & Compliance	REACH, RoHS, FCC, CE, WEEE, FIDO2 Security Level 2, CTAP 2.1, IP68
Warranty	2-Year Limited
