Kensington®

Pro Fit® Ergo Vertical Wireless Trackball - White

Part Number: K75263WW | UPC Code: 085896 75263 9

Innovative comfort and control.

Give your hand a healthy break. Upgrade to ergonomist-approved comfort and premium cursor control with Kensington's Pro Fit® Ergo Vertical Wireless Trackball - White. A 60° tilt angle promotes proper wrist, arm, and shoulder alignment to maximize comfort and minimize potential strains. This mouse-like vertical trackball is easy to learn and offers nine programmable buttons; wireless connectivity for up to three computers; plug-and-play ease with the ability to customize using KensingtonWorks™ software; a unique, easy-to-clean design; and long battery life.

- **Ergonomist-Approved Design** – Promotes proper wrist, arm, and shoulder alignment to maximize comfort and minimize potential strains.

- **Easy to Use** – Reduces learning curve when transitioning from a mouse to a trackball.

- **Premium Precision & Speed** – Provides more accurate and smooth cursor control, and allows you to easily switch between DPI settings for different cursor speed control.

- **Flexible Wireless Connection Options** – Allows stable connectivity for up to three computers.

- **Plug & Play or Customize** – Use the default settings or download KensingtonWorks software to set pointer and scrolling options and professionally customize nine buttons to tackle common tasks with one touch.

- **Unique Easy-to-Clean Design** – Features a button to eject the trackball for easy cleaning.

- **Long Battery Life** – Works for up to 18 months on two AA batteries (included). The battery indicator light eliminates surprises. Battery life may vary based on usage.
