

Designed for

Corporate-level security for Surface Book

Locking Bracket for Surface Book 1, Surface Book 2 & Surface Book 3 (13.5")

Setting the standard by providing vigorously tested, non-invasive locking technology that is supported by Kensington's innovative common keying system, the Kensington Locking Bracket is the superior security solution for Surface Book 13.5".

Features & Benefits:

- **Designed for Surface Book 13.5"** to provide professional-level security and superior performance
- **Non-Invasive Locking Technology** attaches to the bottom of the screen for an easy-to-use security solution that requires no device modifications, preserving the hardware warranty and aesthetics of your Surface Book
- **Steel-Reinforced Security Bar** provides strong anti-theft protection
- **MicroSaver® 2.0 Keyed Laptop Lock** has been verified and tested for industry-leading standards in torque/pull, foreign implements, lock life cycle, corrosion, key strength and other environmental conditions (K64821WW only)
- **5mm Keying System with Hidden Pin™ Technology** offers patented anti-pick solution, accommodates today's thinnest devices, and is part of Kensington's robust key management solutions that include Master Keyed (K64822M) and Single Keyed (K64822S) options to help IT managers minimise the number of keys required to secure devices in mixed technology environments
- **Register & Retrieve™** program offers free and secure cloud-based key management and replacement

Why choose Kensington?

As the inventor and No. 1 seller of laptop locks worldwide, Kensington's locking solutions accommodate 95% of the world's laptops, projectors, printers and monitors. With extensive professional accessory support for the Surface family of products, including rugged cases, sleeves, docks, hubs, locking kits, and privacy screens, Kensington is The Professionals' Choice for organisations incorporating the Microsoft Surface line into their computing environments.
