SKU: K72503WW | UPC: 0 85896 00361 8

A comfortable  
and quiet  
multi-device  
mouse.

Many professionals are looking for a comfortable and dependable mouse for use at home and in the office. Long hours at the computer can lead to discomfort, and noisy clicking can be distracting. Plus, they want to be able to easily switch between different devices without any hassle.

The Pro Fit™ Ergo MY435 EQ Rechargeable Mouse addresses these challenges with its ergonomic mid-size shape and silent-click buttons, creating a more comfortable workspace. With triple-device connectivity and a long-lasting rechargeable battery, the MY435 offers the comfortable and quiet flexibility needed for today's multitasking demands.

- Mid-size ergonomic design for right-handed users with small to average-sized hands
- Quiet-click left and right buttons
- Rechargeable battery lasts up to 6 months\* on a single charge
- Connects with up to three devices for multitasking across laptops, desktops, and tablets
- Offers 6 programmable buttons to support workflow needs powering connected accessories
- Durability tested for millions of clicks
- LED indicators for battery life and DPI settings
- Outer case made with 40% post-consumer recycled (PCR) plastic\*\*
- 3-year limited warranty

\*Battery life varies by use. Based on internal testing assuming 1 hour of active use per day. Actual results may vary.

\*\*Excludes scroll wheel and DPI button.

## Pro Fit™ Ergo MY435 EQ Rechargeable Mouse

SKU: K72501NA | UPC: 0 85896 00351 9

SKU: K72503WW | UPC: 0 85896 00361 8

### Ergonomic Mid-Size Design

Supports proper hand and wrist positioning for right-handed users with small to average-sized hands to reduce fatigue.

### Quiet-Click Buttons

Ideal for shared or open workspaces, the MY435 offers quiet-click left and right buttons to support a more peaceful environment for focused productivity.

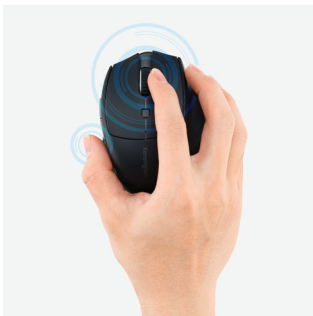

### Rechargeable Battery

The 500mAh rechargeable battery supports up to 6 months\* of use on a single charge. Includes USB-C® charging cable.

### Triple Device Connectivity

Easily connects with up to three devices, effortless multitasking across laptops, desktops, and tablets, using the USB-A nano receiver for a reliable 2.4GHz wireless connection and two Bluetooth® (BT 5.0) channels. Windows and macOS compatible.

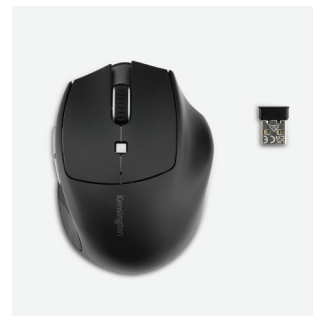

### 6 Programmable Buttons

Personalize up to 6 buttons on your MY435 using free Kensington Connect™ software to enhance productivity and support your workflow.

### Durability Tested

Independently verified to rigorous specifications, this mouse has been tested for millions of clicks on both the buttons and scroll wheel. It meets or exceeds industry standards for mechanical resilience, ensuring reliable performance in a mouse built to last.

### LED Indicators

Convenient visual confirmation of battery life and DPI settings are provided via lights under the scroll wheel.

### Sustainability Attributes

The outer case of this mouse is made with 40% post-consumer recycled (PCR) plastic\*\* – and it is shipped in FSC® certified packaging.

\*Battery life varies by use. Based on internal testing assuming 1 hour of active use per day. Actual results may vary.

\*\*Excludes scroll wheel and DPI button.
