

SmartFit™ Premium Heavy Duty Dual Monitor Arm

- **SmartFit™ – Comfort Made Easy** – Uses data-driven research and a color-coded fitting chart to support quick and intuitive height-setting.
- **Accommodates Larger Monitors** – Provides stable support 1 monitor up to 49" and 1 laptop up to 17", or 2 monitors up to 49" stacked (maximum monitor size to put side-by-side: 35").
- **Gas-Spring Arm(s)** – Ensures smooth and easy height adjustments with less physical effort.
- **Articulating Monitor Mount(s)** – $\pm 90^\circ$ swivel, $+50/-20^\circ$ tilt adjustment, and $\pm 180^\circ$ rotation capabilities. Dual arm allows you to use one of the monitor mounts with the included laptop tray. Maximum size for portrait orientation: 35in
- **Easy Installation** – Easily attaching to desks and tables, the topside C-clamp mount supports a hassle-free installation and quick-release VESA® plates (75, 100, 200, and 300; 1:1 mounting) simplify monitor attachment and detachment.
- **Cable Management Channel** – Keeps cords and cables organized and out of sight, supporting a clean and clutter-free workspace.
- **Sustainability Attributes** – Delivered in Forest Stewardship Council (FSC®) certified packaging.
- **5-Year Limited Warranty**
