MAGNETIC

16:9 WIDE

- Frameless board design matches any office décor

- As compared to the base GREENGUARD certification, the GREENGUARD Gold Certification standard includes health-based criteria for additional chemicals and also requires lower total VOC emissions levels to help ensure that products are acceptable for use in environments like schools and healthcare facilities.

- Hidden mounting hardware maximizes usable board space and allows you to expand on all your ideas

- Wide 16:9 aspect ratio allows you to present more information
